NEWS the city, Doha-PT Graha Beautiful Universe, the collaboration between the companies ACT Group (Singapore) and PT Jaya Prima Integra, doing [groundbreaking](#) project [apartment](#) Cambio Rp2 trillion worth of Lofts in the area of [Natural Silk](#), Tangerang, on Wednesday (31/5).

Standing on the grounds of 1.1 hectares, Cambio Loft has two tower. The process of marking ground breaking development that tower two, Tower Marina and Sentosa Tower, which consists of approximately 1,400 units of [apartments](#). From all the units total, 65 percent of them are units with a design loft, and the rest of [the apartment](#) is non loft.

This type of apartment loft is a residential concept that is already plural in Singapore. This concept provides an additional space of rooms room sizes should be at the top of the unit [apartment](#) .

"We brought the concept of a loft [apartment](#) that we have developed in America it to Asia. In America, the loft [apartments](#) are in great demand, as well as in Singapore," said James Toh, ACT Group Chairman after ground breaking, Wednesday (31/5).

James reveal, the ACT Group entry to the USA since the 1960s, and began venturing to Singapore since the 1990s. Up to now, there are already 30 's completed property projects ACT Group in America, Singapore, and China. Cambio 's project is a Loft [apartment](#) first ACT Group in Indonesia.

The target of 400 units Rita Megawati, Project Coordinator Cambio Lofts says that since its launch last year, Cambio Loft already sold about 150 units. The price of the current Rp20juta Lofts Cambio per square meter, up from the current price was first launched at that time still Rp18 million per square meter.

"Our Target is not pompous. The hope, until the end of this year can be sold 300-400 units. The target of the handover of the unit is 36 months from the start of the [groundbreaking](#)," said Rita Megawati.

This apartment offers several options of room type, i.e., one bedroom, two bedroom, three bedroom and four bedroom,. The size of the unit, a special unit of the non loft breadth 34-70 square meters. In addition, there is a penthouse unit 20 acres 80-145 square meters.

According to Rita Megawati, the concept of a loft [apartment](#) that allows family activity room separated by the dugout. Bathroom, kitchen space need not be high, so that the space on it get used to the bed.

Cambio Lofts has several advantages, such as its strategic location, opposite the shopping centre, the Living World, the RS Omni and the area offices. This apartment concept ' Highrise of Homes ' with loft with efficiency and convenience such as living in the House.

Cambio Lofts also have facilities built vertically. That is, it is not centered on one floor, but there are also on some floors. On the podium area on the 8th floor, there will be a swimming pool, BBQ area, jogging track, steam and sauna, indoor gym, library, multifunctional hall to the children playground.

Almost every floor there are 5-7 SAC-SAC garden to sit together. On the 25th floor there is also the garden wing equipped jacuzi, relaxing lounge, kitchen and dining area yoga area and western-style Japanese.

"This kitchen dining area Facilities can use the occupants to cook-Cook and eat alongside 10 colleagues," the light of Rita. (chi)
